9	KARREMANS:	And we like to hope that they'll stay, we have put between groups of
10		persons soldiers.
11	UŠĆUMLIĆ:	We have posted soldiers between groups of persons.
12	KARREMANS:	To assist as much as possible.
13	UŠĆUMLIĆ:	To help as much as possible.
14	KARREMANS:	Food problem.
15	UŠĆUMLIĆ:	Problems with food.
16	KARREMANS:	The population doesn't have food at all
17	UŠĆUMLIĆ:	The population has no food at all.
18	KARREMANS:	And situation for my soldiers is that I have for two days food, then that's
19		left too, I have nothing left.
20	UŠĆUMLIĆ:	As for my soldiers, we have food for two more days, after which we shall
21		have nothing.
22	KARREMANS:	That means, in my opinion, if I am allowed to say so
23	UŠĆUMLIĆ:	In my opinion, this means, if you allow me to say so
24	KARREMANS:	that the first need is food.
25	UŠĆUMLIĆ:	that food is needed first
26	KARREMANS:	Secondly
27	Waitress <i>lin the l</i>	background to the interpreter/: Coffee for you.
28	UŠĆUMLIĆ:	In second place
29	KARREMANS:	Medicines.

Page 36 of 43 (ET Subtitles Transcript) V000-9014

1	KARREMANS:	She explained me that in the hospital in Srebrenica, they had for thirty
2		days supplies
3	UŠĆUMLIĆ:	That in the Srebrenica hospital they had thirty days' supplies.
4	KARREMANS:	If they could have those supplies
5	UŠĆUMLIĆ:	If they could take those supplies
6	KARREMANS:	Then
7	MLADIĆ:	Who is this gentleman? Who is he?
8	Male voice:	He's from their security.
9	MLADIĆ:	Stand outside. You too. Yes?
10	KARREMANS:	We could have let's say
11	MLADIĆ:	Young man, stand outside!
12	KARREMANS:	request that we could help the wounded persons for, let's say, twenty to
13		thirty days.
14	UŠĆUMLIĆ:	We could help the wounded persons with these stocks, let's say, in the
15		next twenty-thirty days.
16	MLADIĆ:	And where are these stocks?
17	KARREMANS:	The stocks are still in the hospital of Srebrenica. During today the MSF
18		was not able to take those medicines and special equipment with them.
19	MLADIĆ:	That has been removed. I've been at the hospital.
20	UŠĆUMLIĆ:	It was taken away. I was at the hospital.
21	MLADIĆ:	You! Bring the sign. They took away there's nothing we didn't find
22		anything there.
23	UŠĆUMLIĆ:	They didn't find anything
24	KARREMANS:	Ok, then I have to sort it out.
25	UŠĆUMLIĆ:	Then I have to sort it out somehow.
26	KARREMANS:	Our own medicines are almost zero.
27	UŠĆUMLIĆ:	Our own medicines supplies are almost zero.
28	KARREMANS:	The only thing what I can do is the two surgery teams.
29	UŠĆUMLIĆ:	The only thing that I can do is the two surgery teams.
30	KARREMANS:	They have done it in the afternoon and tonight is a big surgery, but that's
31		only for a couple of persons and then the medicines for those special
32		surgery is left as well.
33	UŠĆUMLIĆ:	They have done a couple of bigger surgeries during the day and after that
34		they ran out of medicines for such operations, as well.

Page 37 of 43 (ET Subtitles Transcript) V000-9014

1	KARREMANS:	So, if I may say so, sirI think that the evacuation of the wounded
2		could be the second thing to be organized. Then we had a very quick
3		telephone call with the UNHCR in Belgrade. They have available now
4		thirty vehicles, vans.
5	UŠĆUMLIĆ:	They have available now thirty vehicles.
6	KARREMANS:	Which they could bring in if that should agreed, prompt.
7	UŠĆUMLIĆ:	Which they could bring in should we manage to reach an agreement on
8		this.
9	KARREMANS:	And that is food. That's food in general. Food.
10	UŠĆUMLIĆ:	That's about it concerning food.
11	KARREMANS:	Then, the third thing
12	UŠĆUMLIĆ:	The third thing
13	KARREMANS:	is our diesel. As you know
14	Male voice:	Here you are.
15	MLADIĆ:	Get me a bottle or something like that. This was taken off of the Srebrenica
16		town hall. I brought it myself.
17	UŠĆUMLIĆ:	This board is from Municipality Building in Srebrenica. I brought it.
18	MLADIĆ:	And there are no medicines at the hospital.
19	UŠĆUMLIĆ:	And there are no medicines in the hospital.
20	MLADIĆ:	I had just arrived from Srebrenica before our first meeting here.
21	UŠĆUMLIĆ:	Before our first meeting I just arrived.
22	MLADIĆ:	I passed through the whole town on foot.
23	UŠĆUMLIĆ:	And I passed through all Srebrenica by foot.
24	KARREMANS:	I will sort that out because it was what the MSF representative told me. I
25		believe
26	MLADIĆ:	I don't care what this representative said. Let the Lieutenant Colonel say
27		what he wanted to say, and then I want to hear what MrWhat was your
28		name again? has to say.
29	MANDŽIĆ:	Mandžić.
30	MLADIĆ:	Mandžić?
31	UŠĆUMLIĆ:	It's not of a big importance what MSF representative said so please
32		continue.
33	MLADIĆ:	Nesib, do you smoke? Have a smoke, damn it. What can one cigarette do?
34		You're young, ha? Put it over there in front of Nesib. Go on. Colonel?

1	Indistinct chatte	r/
2	MANDŽIĆ:	Thank you.
3	MLADIĆ:	At least relax during the meeting. Would you like something to drink,
4		Nesib?
5	MANDŽIĆ:	Thank you. I'm having coffee.
6	MLADIĆ:	Are you hungry?
7	MANDŽIĆ:	I'm not.
8	MLADIĆ:	Are you sure?
9	MANDŽIĆ:	Yes, on my life.
10	MLADIĆ:	Are you a teacher?
11	MANDŽIĆ:	I am. I've eaten once this morning, and that's enough.
12	MLADIĆ:	What did you graduate in?
13	MANDŽIĆ:	Electrical engineering.
14	MLADIĆ:	Electrical engineering? BS or?
15	MANDŽIĆ:	BS.
16	MLADIĆ:	Where did you graduate from?
17	MANDŽIĆ:	Sarajevo.
18	MLADIĆ:	When?
19	MANDŽIĆ:	'90.
20	MLADIĆ:	Are you married?
21	MANDŽIĆ:	No.
22	MLADIĆ:	When were you born?
23	MANDŽIĆ :	'62.
24	MLADIĆ:	Let this Commander finish and then we'll
25	UŠĆUMLIĆ:	Now we have finished and then
26	KARREMANS:	Proceed?
27	UŠĆUMLIĆ:	Yes, we'll proceed and listen to
28		The next thing is the diesel situation.
29	UŠĆUMLIĆ:	The next thing, then, is the diesel situation.
30	KARREMANS:	I know that the General is aware of the fact that we haven't had the diesel
31		since the 16th of February in the enclave.
32	UŠĆUMLIĆ:	I know that the General is aware of the fact that we haven't brought in
33		diesel to the enclave since 16th of February.
34	KARREMANS:	We have left diesel today approximately five four to five thousand litres.

Page 39 of 43 (ET Subtitles Transcript) V000-9014

1	UŠĆUMLIĆ:	Today we were forced to leave four to five thousand litres.
2	KARREMANS:	And that's what I need for the generators to have the electricity.
3	MLADIĆ:	Where did they leave it?
4	UŠĆUMLIĆ:	Where was it left? Where did you leave it?
5	KARREMANS:	At compound.
6	UŠĆUMLIĆ:	In the camp.
7	MLADIĆ:	Where, in Srebrenica?
8	UŠĆUMLIĆ:	In Srebrenica?
9	KARREMANS:	Potočari.
10	UŠĆUMLIĆ:	In Potočari. You only have it left? That is what they have left, I'm sorry.
11		That is what they have left, four to five thousand litres. They need that for
12		power units, for power generators.
13	KARREMANS:	We need those generators, of course, for the electricity.
14	UŠĆUMLIĆ:	For electricity.
15	KARREMANS:	For, especially for the water how do you call that?
16	BOERING:	Water cleaning system.
17	KARREMANS:	The water cleaning system.
18	UŠĆUMLIĆ:	And for the water cleaning system.
19	KARREMANS:	So that the waters are drinkable and they can use it
20	UŠĆUMLIĆ:	So that the water should be drinkable.
21	KARREMANS:	And they can use it for the surgery and for the cooling systems, as well.
22	UŠĆUMLIĆ:	And so that it could be used for surgeries and cooling systems.
23	KARREMANS:	Then I asked for a, let's say, a team from the UNHCR and civil authorities
24		which can deliver us the means like buses
25	UŠĆUMLIĆ:	Then I would ask the UNHCR or civil authorities that can deliver the buses
26		to us
27	KARREMANS:	The only thing I can do is studying the amount of persons and for that
28		amount of persons we need, let's say, transport.
29	BOERING:	Counting!
30	UŠĆUMLIĆ:	So the only thing that I can do is to count approximately, to estimate how
31		many of those people there are.
32	KARREMANS:	But if it's possible, I can ask for buses through my own authorities, let's
33		say, military authorities

Page 40 of 43 (ET Subtitles Transcript) V000-9014

1	UŠĆUMLIĆ:	If possible, I will try to ask for buses through my own military channels,
2		that is my military authorities.
3	KARREMANS:	but I really don't know what they can give me.
4	UŠĆUMLIĆ:	But I really don't know what they can give me.
5	KARREMANS:	I don't know yet. We are busy with determining which people like to go
6		where, but that needs time
7	UŠĆUMLIĆ:	We are working on determining how many people wish to go now and
8		where to. But right now I don't know.
9	KARREMANS:	and I don't know, of course, what is possible in that way.
10	UŠĆUMLIĆ:	I don't know what can be done about that.
11	KARREMANS:	But I presume that is something what Mr. Mladic can tell. I don't know
12		where they'd like to go.
13	UŠĆUMLIĆ:	That is something that Mr. Mladic can say. I don't know where they wish
14		to go.
15	KARREMANS:	Then we make, let's say, plan for evacuation, which persons do need to go
16		first because of age, illness, etc.
17	UŠĆUMLIĆ:	Then we would make an evacuation plan to establish priority for those
18		people who should leave first, depending on their age, illness, etc.
19	KARREMANS:	And last but not least, sir we have thought about the time period
20	UŠĆUMLIĆ:	We've been thinking about a peaceful period of time, a cease-fire.
21	KARREMANS:	I don't know how long it will take because of
22	UŠĆUMLIĆ:	I don't know how long it will take
23	KARREMANS:	if we will be permitted to start the evacuation and how many sources
24		I willhow many means I will
25	UŠĆUMLIĆ:	and what means we will need.
26	KARREMANS:	That is what have put on, let's say, in general thing, very quick
27	UŠĆUMLIĆ:	This is generally what we have quickly put down on paper
28	KARREMANS:	when are we back in the compound in Potocari
29	UŠĆUMLIĆ:	when I returned to the camp in Potocari.
30	KARREMANS:	The details the details we have to work out, of course.
31	UŠĆUMLIĆ:	We have to work out the details, of course.
32	KARREMANS:	And we have started with that as well.
33	UŠĆUMLIĆ:	So we will start with that.
34	MLADIĆ:	Thank you.

Page 41 of 43 (ET Subtitles Transcript) V000-9014

1	KARREMANS:	You're welcome.
2	MLADIĆ:	Nesib? First name Nesib Last name?
3	MANDŽIĆ:	Mandžić. Mandžić.
4	MLADIĆ:	Mandžić Nesib.
5	UŠĆUMLIĆ:	Excuse me, do you want the Colonel to be informed or?
6	MLADIĆ:	You can translate everything for him. Well then, I am listening, what is it
7		you want?
8	MANDŽIĆ:	Well, I just want to say that I am not an official representative of the
9		authorities. It is true that I was the principle of a secondary school during
10		this war Before the war I had taught electrical engineering subject at
11		the school and it was logical that I So I was a little surprised when they
12		suggested that I represent the refugees, although I have been a refugee for
13		three and a half years, since the beginning.
14		At the beginning, the Colonel the Commander of the Dutch Battalion,
15		informed us that there were between fifteen and twenty thousand refugees
16		at the old factories and workshops I can safely say that there are over
17		thirty thousand of them now, and their number will grow during the night
18		because they are coming from those far-flung villages. Those refugees
19		come from several municipalities, mostly Srebrenica, Bratunac, Vlasenica,
20		Zvornik, Višegrad, Rogatica This is why I say several municipalities.
21		As for this subject, I repeat, I am completely unprepared Frankly, I
22		haven't even thought about it. I'd like to ask General Mladić and the
23		Colonel, the Commander of the French that is, Dutch Battalion, if there
24		is an agreement at a higher level over this deal. I have in mind primarily
25		the international organisations, the Red Cross, UNHCR and the like
26	MLADIĆ:	Please write down the following: Number one, you need to lay down your
27		weapons and I guarantee that all those who lay down their weapons will
28		live. I give you my word, as a man and a General, that I will use my
29		influence to help the innocent Muslim population which is not the target of
30		the combat operations carried out by the VRS. Nor are international
31		humanitarian organisations and UNPROFOR forces the targets of our
32		operations. Although NATO forces, as well as UNPROFOR forces, fired
33		today at UNPROFOR's request not only at the positions of the VRS, but
34		also at the civilian population.

Page 42 of 43 (ET Subtitles Transcript) V000-9014

1		In order to make a decision as a man and a Commander, I need to have a
2		clear position of the representatives of your people on whether you want to
3		survive stay or vanish. I am prepared to receive here tomorrow at 10 am
4		a delegation of officials from the Muslim side with whom I can discuss the
5		salvation of your people from the enclave, the former enclave of
6		Srebrenica.
7		I shall order a cessation of operations until 10 am tomorrow. If your
8		fighters, your fighters who lay down their arms we shall treat in
9		accordance with international conventions and we guarantee that
10		everybody will live, even those who committed crimes against our people.
11		Have I made myself clear? Nesib, the future of your people is in your
12		hands, not only in this territory. I am finished. You are free to go. I'll be
13		waiting for you at 10:00 AM tomorrow. See them off.
14	MANDŽIĆ:	I need to tell you, General I am telling you, honestly, I have been chosen
15		as a representative by chance. But if you're not satisfied with me, that's no
16		problem.
17	MLADIĆ:	That is your problem. Bring the people who can secure the surrender of
18		weapons and save your people from destruction. Thank you, gentlemen.
19	MANDŽIĆ:	Thank you, goodbye.
20	KARREMANS:	Goodnight.
21	MLADIĆ:	Goodbye. Everything's in your hands. And bring some prominent people
22		from around here. If men can't make it, women can.
